Section One: Guidance on filling in this Tender Form

1.1 Introduction

We are pleased that you are considering submitting a tender to deliver civil legal aid services in South East region.

This Tender Form replicates the criteria set out in the Brighton Office 'Information for Applicants' ("IFA") for each of the services we are inviting organisation to tenders for.

We would encourage you to read the brief information set out below before filling in this Tender Form.

1.2 Information about the Tender Form

Section Two of this Tender Form includes the separate forms for each of the 'invitations to tender' for services contained in the Brighton Office IFA.

The Brighton office IFA contained eight separate 'invitations to tender'. This Tender Form therefore contains eight separate forms for you to use to tender for each of these services.

Each separate form is headed with the reference number, which corresponds with the reference number of each of the invitation to tenders contained in the IFA.

You may be tendering for some or all of the services and therefore you must ensure you complete the right form for the service you wish to tender for.

Section Three of this Tender Form contains a checklist and a declaration.

You must complete the checklist, which asks you to confirm which services you are tendering for and the number (if any) of additional pages you are submitting.

1.3 Considering the Information for Applicants in filling out this form

In answering the questions in this Tender Form, please consider the details provided in the Information for Applicants, particularly Section Two which contains the detailed information on the service we wish to procure and the criteria you must meet.

Please note that all boxes in this Tender Form must be completed. If a question is not relevant to your organisation, please write 'Not applicable' rather than leave it blank.

You should also familiarise yourself with the Conditions of Tender.

1.4 What if you need to use additional pages?

The space provided for answers is not reflective of the size of the response required. If there is insufficient space in the box, you should increase the size of the box, or may refer to an attached extra page. All pages must be numbered sequentially, including extra pages (e.g. page 1 of 6).

Please also number any appendices and documents submitted to support your application in the same way and mark them at the top with your organisation's name.

1.5 Do I need to return all the Sections of this Tender Form?

You may be tendering for some or all of the services contained in the IFA. Therefore it is not necessary for you to return the parts of Section 2 of this Tender Form, which relate to services you are not tendering for.

E.g. If you wish only to tender for Bri/001 (pages 5 –11 of this Tender Form) you need not return to us pages 12 - 75.

However you must return Section 3 of this Tender Form in its entirety - Checklist and Declaration.

1.6 Returning the Tender Form

You should return your Tender Form to the office address set out in the IFA.

1.7 Important note for current holders of the Unified Contract

If you hold a Unified Contract you are bound by the terms of that contract in making this tender (Clause 22).
